THE ARTS SOCIETY WIMBLEDON dates of VISITS for 2027

and dates when booking opens

The Arts Society arranges 8 visits per year to places in and around London, accessible on public transport, in a group of about fifteen to twenty members. Visits are open to guests of a member also.

Dates of the visits and destinations are published on the Society's website in the autumn of the preceding year and in the Society's 2027 leaflet.

Full details of the visit (time, cost, travel options) will be published approx. 3 months in advance on a flyer; paper copies will be available at lecture evenings, and to view on the website.

Booking of places on a visit opens approximately 3 months in advance, on the day of a lecture.
