

BROOKLANDS MUSEUM<https://www.brooklandsmuseum.com>

Brooklands played a huge part in British aircraft design and manufacture. Visit the famous banked track, scene of many famous car races. The former garages now house a huge collection of classic cars, racing cars, motorbikes, push bikes, London Buses through the ages and aircraft that you can visit, board and wonder in awe.

We will have an introductory film followed by an exclusive one hour tour of the highlights of the Museum.

Those who are interested will be able to book tickets to board Concorde.

After our tour you will have time to explore the exhibits at your leisure. There is so much to see and admire; if you haven't visited before, this Museum is a hidden gem and there is no limit to the amount of time that you can spend here.
