

MUSEUM OF BRANDS

At the Museum of Brands, we will learn about 150 years of brands, packaging and advertising through the permanent exhibition 'the Time Tunnel' where we will see how daily life has changed since the Victorian times.

Our afternoon will start with a 25 minute talk about the history of the museum and our consumer society.

After the talk we will explore the museum in our own time. It will be a nostalgic journey through 200 years of social change,
