

THE MUSEUM OF HOME

The Museum of Home is housed in what was originally a series of almshouses and from 1714 through to 1911 this was home to around 50 poor pensioners.

Our Curator led tour, lasting 90 min to 2 hours, will take us on a trip back in time through a series of recreated parlours and drawing rooms that offer a glimpse of how tastes, styles, and life in general have evolved among the English middle class over the course of several centuries.
